Troop 40 Boys Hold Parents Night Program

Troop 40 held its "Parents Night" in the school gym on Feb. 18. The attendance was most gratifying and a good time was had by all.

A colored movie of the Boy Scout jamboree held at Valley Forge was shown. Harley Mann, institutional representative of the troop, placed three awards on the troop flag. This was followed by three investiture ceremonies.

Scouts who received Tenderfoot badges are Thomas Miller, Robert Munch, Thomas Ricketts, Thomas Smith, Michael Werner, Charles Kelch, Kenneth Lorenz, James Robert, and Terry Marshall. Louis Johnson received his second class badge. Roger Swart his first class badge.

William Bradley Jr., assistant scoutmaster, received his badge of office and a pin for his civilian coat. Junior leader warrants and badges of office were awarded to Ted Dunham, senior patrol leader. Roger Swart, Joseph Grabarcik and Joseph Sluis, patrol leaders, Billy Sayers, Michael Werner, and Robert Munch, assistant patrol leaders, and Thomas Ricketts, scribe.

Scouts who were transferred from Scout to Explorers are Ted Dunham, Duane Maue and Roger Swart.

One year service stars were awarded to Michael Werner, James Roberts, Joseph Grabarcik, Billy Sayers, Ted Dunham, Joe Sluis, Duane Maue, Louis Johnson, Roger Swart, Leonard Hemmerick and Thomas Williams.

Members of the troop committee presenting the awards were Garrett Swart, Harley Mann, Stan Williams, Fred Werner and Arthur Omland, scoutmaster.

The meeting was closed by all present joining hands and singing hymns, and the scoutmaster's benediction. Coffee and cake was enjoyed by all.

PALOS PLAYERS REHEARSE '3 MEN ON A HORSE'

The Palos Village players are busily rehearsing their 43rd production, "Three Men on a Horse" to be presented at the Palos Village hall March 19, 20 and 21.

Erwin Trowbridge, an unworldly writer of greeting, card verse, is played by Fred Muntwyler. Following a disagreement with his wife, he wanders into a bar and suddenly finds himself the hero of a group of race track touts. The touts, understandably enough, are amazed to find that Erwin can, and does, dope out all the races, as a hobby, and is consistently correct.

William Martin, John Faucette and Jay DeKoker play Frankie, Patsy and Charlie, the three touts who shanghai the poet and erstwhile tipster, Ethel Berdan. Is the blonde, ex-follies girl, Mabel, Patsy's girl friend. Mrs. Louise Poole of Palos Heights plays Audrey, Erwin's wife. Erwin has brother in law trouble in the form of Clarence played by Art Cheyoke. Barbara Wiggins of Palos, and Dr. Donald Pippert, dentist from Blue Island, play the reporter and photographer. Just how the press and police enter Erwin's life will be told as the play unfolds under the direction of Walter Cook.

Evanston GOP to Back Reapportioning

The Evanston Republican organization has unanimously endorsed the constitutional amendment for reapportionment which will be on the ballot November 2, 1954.

At its meeting held Feb. 18 William N. Erickson, township committee member, stressed the importance of reapportionment and also the importance of a fair system of legislative representation.

A. C. Bauch Will Have 'Community Day' Festivities

"Community Day," annual Allis Chalmers farm equipment show and festivity for farmers, is scheduled for all day, beginning at 9:30 a.m., Saturday, Feb. 27 in the A. C. Bauch garage, Frankfort.

Motion pictures will be shown and luncheon served. Mr. Bauch promises that it will be an interesting day, and invites every one interested to attend.

Donald Hopkins to Give Talk on Atom

"Splitting the Atom" will be the topic when Mokena Lions members hear a talk by Donald Hopkins. Orlando Palos High school instructor, at their regular meeting on March 3.

A 1919 model ladies' hat, a worn army T shirt, a shoe hook, and other "white elephant" gifts selected more for laugh value than for utility or beauty were exchanged with much laughter at the Lions Ladies night last week in the Marley church. It was a birthday party for every one. Each guest was greeted with "happy birthday" and all sang parodies of familiar tunes, serenading the "Januarians," the "Februarians," down to December.

"Miss Cute Trick of 1954" turned out to be Dolores Cooper by popular acclamation, and Harold Cooper was chosen as "Mr. Life of the Party." Among the guests were Miss Cooper, Willard Barenz, New Lenox, Mr. and Mrs. Barney Hostert and Mr. and Mrs. Bill Davidson, of Blue Island.

Milton Geuther, program chairman, was assisted by Everett Cooper, Bill Blaha, Charles Swanberg, John Scarth, Bob Olson, Bill Muehler, Charlie Kelch and Lyman Teague.

Open Workshop For Girl Scout Leaders

Mrs. George H. Bills will direct a workshop featuring African songs Wednesday, Feb. 24, in the Trailways Girl Scout office in Joliet at 7:30 p.m.

Other Girl scout leadership courses in which leaders can enroll are troop camping, March 17; and a workshop for leaders of "fly-up" Brownie troops, March 11 and 16. All of these will be held in the Scout office in Joliet. Advance registration by mail or in person is requested.

GERALD JACOBS GETS TRYOUT WITH ORIOLES

Gerald Jacobs, 23, son of Mr. and Mrs. Raymond Jacobs, 17201 67th court, Tinley Park, has been called to the Baltimore Orioles for a special screening at their training camp. He is expected to be groomed to succeed Vern Stephens at the hot corner.

They decided to give 6 ft. 175 lb. Jacobs a good look after failing in attempts to get Cleveland's third baseman-outfielder Al Smith. Gerry had a batting average of .304 last year, for an eighth place Wichita club in the Western League, but what impressed the Orioles most were his 91 runs batted in. He had been playing with a farm team of the Baltimore club in Columbia this winter.

Regarded as one of the fastest men in baseball, he has been timed in 6.6 seconds for the 60 yard dash, good enough to win in most major track meets.

Gerry is a graduate of Thorn-ton Twp. high school and earned nine letters there. While serving as a para-trooper in the armed forces, he was awarded a trophy in baseball. In 1951, at Bradley university, he received the "Most Valuable Player" award. In football, he has been playing in organized ball for two years, having turned professional before his graduation from Bradley.

He has been ordered to report March 1 at Baltimore's spring training camp at Yuma, Ariz. His friends are wishing him the best of luck in his tryouts, and he will be hoping to see him at Comiskey Park, playing against the White Sox this summer.

Effingham Wins Two SC Awards

The Effingham Soil Conservation district was sweepstakes winner in the recent state-wide award program presented jointly by the Peoria Globe-Democrat and the Keystone Steel and Wire company.

Two awards will be given, one an all-expense trip next month for eight persons to the convention of the National Association of Soil Conservation districts, furnished by the newspaper. The other is a sound motion picture in color, made by the Keystone company of activities in the district.

The Effingham district developed during the year an impressive education and public relations program and sponsored a conservation course of study for use in the county public schools.

BAKE SALE
The Auxiliary to the Five Point Amvets Post will conduct a bakery sale in the Dunham Hardware store in Mokena Saturday Feb. 27 starting at 12:30.

ARTHUR HENKE HERD TOPS DHIA JANUARY REPORT WITH 944 LBS.

Home Bureau to Hear Discussion On Home Freezer

"Interesting places where I have eaten" was the roll call answer given by 12 members present on Feb. 16 at the Home Bureau meeting held in the home of Mrs. Martin Medema.

The annual membership drive will be held March 3, 4 and 5 and it is hoped that more members will be obtained this year. Handicraft lessons were discussed. Lessons to be given in the near future are basketry, chair caning, crocheted dolls and felt work. These will be given by members of this group. Dates will be announced later.

As the Home Adviser cannot be present at the regular meeting day in March the meeting has been postponed until Monday, March 22 in the home of Mrs. Wilbert Lauffer. The Home Adviser will give the major lesson entitled "Meals from the Freezer."

Mrs. E. Bormet and Mrs. G. Elsen gave the major lesson for February, "First Aid in the Home, on the Farm and on the Highway." "Hors d'oeuvres" was the minor lesson prepared and given by Mrs. Medema.

JUNIOR RANG'RS TO STAGE HORSE SHOW IN PALOS

The first horse show of the Mounted Junior Rangers of Cook county will be staged Sunday, Feb. 28, at the Woodland Valley stables, 151st and Harlem ave., Orland Park. Proceeds of the show, to which the public is invited, will go toward financing a visit of junior rangers to Lexington, Ky., the home of famous horses, in July. The show will start at 1:00 pm. and as mail admission fee is charged.

Assisting the Rangers in putting on the show will be the Loring School for Girls, students from the Francis Reker School of Horsemanship, and representatives of various stables of the southwest area.

William E. Erickson, president of the Cook County board will present Mrs. Francis Reker, director of the Junior Rangers with a badge and the rank of "Deputy Forest Ranger" in a brief ceremony.

She will be the first woman to receive such a distinction. Assisting in the planning of Sunday's program which will include various equitation classes, hunters and jumpers in both children's and adult divisions are: Dr. Edward Barkowiak, Palos Heights, Dr. Benedict Leiwand and Dr. Earl Pronger, Blue Island, Mrs. Dorothy Walsh Oak Lawn, and John Murray and B. Roll, of Hammond.

Mrs. Richardson Leads PTA Meet

Mrs. Roy Richardson, vice president, was in charge of the Mokena PTA monthly meeting held Feb. 23 in the school. The room count was taken and the trophy awarded to Mrs. Pester's first grade room.

"Music Appreciation Month" was the theme of the evening's program under the direction of Mrs. Fred Lehmann. An audience of about 75 enjoyed a program given by the school children. Refreshments were served by the second and third grade mothers.

Escape Injury in Crash at Worth

Rev. and Mrs. Ralph L. Miller, and Mr. and Mrs. Charles Elliott Jr., narrowly escaped serious injury Sunday afternoon at five pm. in an automobile accident near Worth. They were on their way to Chicago to attend the sports show, and were at an intersection where they had the right of way, and an on-coming car failed to stop.

Rev. Miller, who was driving saw the car coming, and pulled out in order to avoid being hit, but not in time, as the other car hit the rear end of the Miller car, damaging it very badly. Mr. and Mrs. Elliott, both in the back seat, were thrown out of the car onto the highway. Luckily there were no cars coming behind them. They were both bruised and shaken, but not seriously injured. They were taken to the Frankfort clinic.

PTA MOVIES

The weekly motion pictures sponsored by the Mokena PTA have been discontinued until further notice, it has been announced by G. W. Swart, Ways and Means chairman.

An average production of 944 pounds of milk and 43 pounds of fat placed the Brown Swiss herd owned by Arthur G. Henke and son, Tinley Park, in first place on the January report of the Dairy Herd Improvement association.

Other high ranking herds with breeds and productions are owned by Louis Lauffer and Son, Mokena. Holstein 1201-42; Adolph Rademacher and son, Crete, Holstein 1125-41; Herman Gee, Orland Park, Holstein, 1104 41; Wilbur P. Heisner, Manhattan, Holstein, 1045-39; Vally and Homering, Frankfort, Holstein 996-39.

Vally & Homering were owners of the highest producing individual with 2260 pounds of milk and 93 pounds of fat.

Other high ranking individual cows last month, breeds and productions are owned by Lorenz and Krusemark, Holstein 2100-88; Glewood School for Boys, Glenwood, Holstein, 2065-87; Louis Lauffer and Son, 2164-87; Vally and Homering, Frankfort, 1789-86.

The Will County Dairy service annual meeting was held on Feb. 16 in the St. Peter's Evangelical church, Frankfort. A banquet preceded the business of the evening with approximately 125 in attendance.

President Lester Schroeder called the meeting to order. Dr. K. T. Harshbarger, associate professor of dairy science, University of Illinois, gave the address, explaining first the University's college of agriculture and how it functions.

New directors for the Dairy service for 1954 were elected. They are Lester Schroeder, Peotone, president; George Bovee, Manhattan, secretary-treasurer; George Beutel, Mokena, Walter Lauffer, Tinley Park, Julius Sewing, Elwood; and William Schramm, Manhattan.

Entertainment was furnished by Ronnie Steinberg and Dickie Batson who played saxophone duets. Dr. Harshbarger in his address pointed out that in making grass silage, molasses is still a good and popular preservative. The dried form, somewhat easier to use, is more expensive. Sulphur dioxide is very effective, but is a little hazardous to use. Sodium meta bisulfite shows very good promise, he said, with the cost reasonable.

It also explained research the University has done on corn cobs as a feed for cows. Experiments show that results equal with alfalfa hay could be obtained if the proper supplement could be added to the cob meal, but the cost would be more. The usefulness of this knowledge would be during an emergency period when hay was not available, he said.

Concerning the ever present problem of bloat, he stated neither the cause nor the cure was known for sure. He told of many probable reasons and many tried remedies. Reports were given by testers Frederick A. Holm and Chris Madson.

SET MEETINGS TO TALK OVER SCHOOL CHANGE

A series of 12 meetings has been scheduled by Verne E. Cracker, County superintendent of schools for the purpose of discussing the new State legislation whereby offices of township trustees and township treasurer will be abolished.

Attending will be school board members, township trustees and treasurers. Supt. Cracker said he will discuss the rules and regulations as well as recommendations pertaining to the new legislation. New school treasurers will be appointed by the boards of education.

March 2 has been set for a meeting at the Frankfort Grade School for districts 154, 156, 158 A, 157 and 161 in Frankfort; No. 114 in Manhattan; and districts 119, 121, 122, 124, 125, 126 and 212 in New Lenox and also for district 210.

Other meetings are Feb. 24 in Lockport High school for Homere schools 127, 128, 130, 131, 134 and 135, and March 1 in Peoria High school for districts 207-U in Peotone and Green Garden, for officials in Wilton and Will townships and for a part of Manhattan township.

HOLD SERVICES

Services for Candice Shoop, who died at birth Feb. 23 in Silver Cross hospital, were held yesterday in the Sonntag funeral home Joliet. Burial was in the Mount Vernon Memorial garden cemetery. She was the daughter of Mr. and Mrs. Steward Shoop, Mokena and the mother is the former Nina Marshall of New Lenox.

HOLD JESSE CARNEY ON CHECK PASSING

Jesse Carney, 35, of Mokena, has been ordered held in County jail after appearing before Justice of the Peace Anthony McKay for preliminary arraignment on charges of passing fraudulent checks. He was unable to meet his bond set at \$5,000.

Carney was captured last Thursday after a three hour search on the part of sheriff's police and alerted citizens in the area between Joliet and New Lenox. He had been taken into custody and handcuffed by Deputy Stanley Drake. On the way to Joliet Carney leaped from the car and disappeared among near by buildings. C. W. Wagner, who lives on Spencer rd. near New Lenox, noticed a man who answered Carney's description as broadcast on station WJOL and three squads were dispatched to the area. When captured, Carney said he had walked through the fields, a distance of 10 miles. He still had the handcuffs on his left wrist. He had fractured his right elbow in the fall from the police car.

He was treated at St. Joseph's hospital and taken to the County jail. His case was continued for 10 days.

35 ATTEND TEA IN PHILIP LENZ HOME SATURD'Y

One of the most charming of the early Spring social gatherings in Mokena took place Saturday when Mrs. Philip Lenz and Mrs. Leo Marcoux entertained at 3 o'clock tea in the Lenz home on Wolf road. Thirty-five friends from Mokena and Lincoln Estates attended.

A special guest was Mrs. Lenz's mother in law, the stately Mrs. George Lenz, who lives at the South Shore Country club, Chicago, and who is past 80. She and the others present enjoyed an afternoon of visiting before the huge paneled fireplace and a tour of the spacious home and adjoining greenhouse.

Italian cut lace and linen covered the dining table, which was centered with a bouquet of carnations and pussywillows.

Published at the tea urn, and Mrs. Robert Wheeler, sister of Mrs. Marcoux, poured for those who chose coffee. The open face sandwiches, tea cookies and tidbits of candy and nuts were prepared by Mrs. Alma Brown, caterer.

Bensenville Girl Killed in Crash

A 19 year old Bensenville girl, Juanita Rocha, was killed early Sunday when her father's car overturned on a curve on route 45 two miles southwest of Frankfort.

The automobile was being driven by her father, Jose, 48, when it went out of control and went off the road onto the shoulder. Miss Rocha became excited, said the father, and grabbed the steering wheel, causing the car to overturn in the ditch. She was thrown under the wheels.

The father suffered head and leg injuries, and was treated in Silver Cross hospital.

RENEW DRIVE ON ILLEGAL PIN BALL MACHINES

Operation of pinball machines of the meter type will subject the proprietors of establishments in which they are operated to prosecution under the gaming laws of the State of Illinois, according to notice again given by State's Attorney Frank H. Masters Jr. and Sheriff Roy C. Doerfler.

This is the result of a recent decision of the Appellate court of Illinois, affirming the judgment of County Judge John C. Cowing in declaring pin ball machines in the meter type illegal.

Also notice is being given that operation of such machines, if they are operated in a tavern, will subject the proprietor to revocation of his tavern license. All such pin ball machines have been ordered removed and any found upon any premises will be subject to immediate confiscation and destruction.

It is anticipated that some tavern proprietors may experience practical difficulties in inducing owners of such machines to remove them from the tavern premises. If such a situation should develop, it has been suggested that the plug be cut off the electrical cord of such machine so as to make it impossible to operate it and that the State's Attorney's office be notified of the existence of the machine and the refusal of the owner of it to remove it from the premises. If such procedure is followed, the machine will be confiscated and destroyed, but the tavern proprietor will not be prosecuted for possessing the machine.

The operator of any establishment in which any such pin ball machine is found in operation, or, in a condition capable of being operated, will be subject to prosecution. If any person is in doubt as to whether a particular machine or device is legal, it is suggested that he contact the State's Attorney's office for advice in that regard.

Janice Johnson In Music Recital

Janice Mae Johnson, daughter of Mr. and Mrs. Stanley Johnson, Frankfort, was among pupils of Sister Raphael who gave a recital Sunday in the St. Francis academy, Joliet.

She played "The Indian Love Call" by Friml, on the organ. Among those attending were Mrs. Johnson and her mother, Mrs. Mae Scheer, Mrs. Al Hochberger and Diane.

A new telephone plan providing toll free calling from Tinley Park, Mokena, and New Lenox to many surrounding communities is included in a request for increased rates filed last week by the Illinois Bell Telephone company with the Illinois Commerce Commission in Springfield.

D. L. Sperry, Illinois Bell manager, said that the plan for toll-free calling from Orland Park will include calls to Blue Island, Mokena, Lemont, and 14 other nearby communities. The schedule of rate increases will be announced in the issue of March 4.

Tinley Park would have this service to more than 37,000 telephones in 26 nearby suburban communities, including Harvey and Thornton, Mokena, Orland Park, Tinley Park, Frankfort and New Lenox, and New Lenox to more than 28,000 telephones in five additional communities including Joliet.

If approved after hearings before the commission, the proposal would replace present service plans now being offered. All telephones in the state served (Continued to back page second section)

EDUCATORS TO HEAR WARREN WOOD MAR. 24

Warren Wood, speaker of the Illinois House of Representatives, will discuss "School Legislation from Behind the Speaker's Desk" on March 24 before the fifth annual dinner meeting of Will County principals, superintendents, school board members and township school officials. It will be held at 6:45 p.m. in the Masonic temple, Joliet.

The legislators of the 41st district have been invited as special guests. A turkey dinner with all the trimmings will be served.

The other speaker will be N. E. Hutson, legal adviser to the State Superintendent of Public Instruction. He will discuss legislation recently enacted and considered and some of which is being brought up for further study by the school problems commission. One of these, state aid, would raise the amount for special equalization and may mean loss or gain to a particular school district.

Of immediate importance, it was explained, is the change to be made from township organization to County board of school trustees and school treasurer. Meeting dates have been arranged with township officials and school boards to discuss some of the problems involved. Mr. Hutson will welcome questions, written or spoken, on the night of the meeting.

Anyone attending may bring wife, husband or teacher, or perhaps some former board member, trustee or treasurer.

Tickets may be obtained by mail or in person at the County Superintendent's office, court house, Joliet. Reservations must be made not later than 12 noon on March 20.

Complete Addition To Calvary Church

Completion of the Sunday school rooms at the Calvary Baptist church, Lincoln Estates, has been announced by Pastor Arthur Contois.

He is starting a club for boys 12 to 16 years old to meet on Saturday afternoons, starting at 1 pm, at the present time. He welcomes all boys within that age limit to join. The boys are working at building benches for tables.

About 25 persons attended the swimming party held Saturday evening.

Miss Betty Show, Of Alpine, to Wed George Druktenis

Mr. and Mrs. Ernest Show, Alpine, are announcing the engagement of their daughter Betty, to George Druktenis, son of Mrs. Stella Kalnik, Roseland. The wedding will take place Saturday, March 6 at 3 pm. in St. John's Evangelical church, Mokena, with Rev. Riemann officiating. Friends are invited to the wedding.

UNCLE MELTY
USE CHAINS—HAVE NO PAINS! IT'S THAT SIMPLE, BOY, FOR SAFE WINTER STARTING AND STOPPING DON'T LET THE MISSING LINKS MAKE A MONKEY OUTA YOU!

So this is HOUSEKEEPING
BY SHIRLEY STUART

A low bow, an orchid, and apologies to Grandmother! I had been a firm believer in the idea that grandmother was a comparative loafer with not half the demands on her time that plague the modern housewife. It's still true that grandmother's routine was a lot less complex, but I'll have to confess she didn't have today's miraculous unpaid servants to help.

My defenses began breaking down when the Stuarts acquired a new automatic washer that practically thinks for itself. Then when a matching Whirlpool dryer arrived, I didn't have a leg to stand on! There's just no getting around the fact that our dryer saves more than a bank; in addition to money, it saves clothes, worry, disposition, time and work! Besides all that, our twin machines are a joy to behold with their beautifully-illuminated guide lite control panels that take all the guesswork out of washing and drying.

On the dryer, for instance, you have at your finger tip the choice of four drying temperatures including the wonderful new "delicate fabric" control. You push a button and presto! the safe, correct drying temperature for any washable material known to man. Another button touch and you've selected a drying time for fluffy-soft, sunshine-fresh and wrinkle-free clothes. Grandmother would have been positively green-eyed at those features alone. But there are even more refinements in this new machine. At any time while the dryer is operating, a light illuminates the interior when the front-loading door is opened and the tumbler and heating element automatically shut off. That's an important safety factor. When the door is closed the dryer begins operating again. Then something that's a real help on a busy day with twenty projects going at once... a cycle tone signals when drying is finished. If grandmother wanted to defend her position (though not much chance of that) she could drag out the old belief that sun-dried clothes smelled cleaner and fresher. She'd even be licked on that score! A built-in ultra-violet lamp not only gives clothes a sweet, fresh-air fragrance but helps destroy common bacteria as well!

All the while things are busily going on in the dryer a colored light follows and tells at a glance how drying is progressing as well as what temperature was selected. With all the controls and lights I feel like a pilot at the dashboard of a jet bomber... only a pilot never had it that easy!

BABSON SAYS—

Many of my readers are greatly disturbed by recent Associated Press figures showing quite a falling off in reported December business. It also appears that figures for January are none too good. Readers ask me the reason. My reply is that in view of a falling off of consumer demand, and the consequent piling up of inventories, merchants are not buying their usual quotas of new goods.

The slowness of Christmas buying was due mostly to the unseasonable weather. Some sections were suffering from a long drought—no rain for months; yet certain states had seen only rainy days. Many millions substituted Christmas cards for gifts. In fact, Christmas cards are becoming a serious menace to Christmas business. (A few weeks ago I heard a sales clerk say: "Buy your 1954 Christmas cards and wrapping paper now.")

What the answer to this "Christmas card" craze will be, I don't know. Certainly, merchants associations should seriously consider its ramifications a potentially upsetting present Christmas practice. Such cards sell without newspaper advertising; any cards left over can be put on the counters a year later; and the mark-up is good—40-50%. In view of Newton's Law of Action and Reaction, the Christmas cards sent out by business

concerns as a waste and nuisance. But to get back to the Business Outlook, I do not believe that business and employment will fall off 10% during the next six months as is generally forecast. Furthermore, I do not forget that the Forecasting Business is subject to the same Law of Action and Reaction that every other business is. This can be overdone and may have been overdone for 1954. This is one reason we confine our forecasts to only six months at a time. Even the Gallup Polls, which are honestly and carefully operated, may turn out to have been largely a fad.

Here is another thought: Does a new year necessarily start every January first? A new year starts every month and even every day. Annual Forecasts are really based upon an old religious custom started centuries ago. From a logical standpoint, it is foolish to celebrate the ending of an old year every December 31 and the beginning of a new year every January 1. I forecast that some day this silly custom will be abolished.

With my intimate knowledge of the new products, methods and inventions now on drawing boards and in test tubes, I simply cannot get pessimistic now. Only waste, inefficiency, dishonesty, and sin can cause business depressions. When visiting big cities, I am temporarily blue; but when I get out into the smaller cities and hear the church bells ring, I am again an optimist on America.

I am watching with great interest the possible new sources of power, immediately ahead of us is the peace time use of atomic energy. Around the corner is the use of unlimited solar energy, upon which the Massachusetts Institute of Technology at Cambridge, Mass., is working. Then the Gravity Research Foundation of New Boston, N. H., tells me that the discovery of a gravity "insulator" will harness gravity for the benefit of everyone. Added to these are the great possibilities of mental energy.

The world's most wonderful machine—namely, the human brain and soul—we all possess. Yet, we are using them at less than 5% of capacity. Let this be increased by new educational plans to only 7%, and factories cannot then get help enough, and shops cannot hold the customers. Think this over! May I add the closing paragraph of a Christmas letter received from Turkey:

"I'd like to write about what is going on in the world at large but the world is too full of opportunities and problems for anyone to say much about it from over here. I suppose I am an incurable optimist because I believe so firmly that 'This is my Father's world.' O let me never forget that though the wrong seems so strong, God is the ruler yet."

"The battle rages fiercely all over the world and in the hearts of men. You and I have our part in this warfare in which there is no neutrality but only utter loyalty to our Captain who is bound to win in the end."

Mrs. Lydia Ryan met her niece Miss Beverly Logan of Barrington in Chicago Sunday and together they attended the Philadelphia symphony orchestra concert in Orchestra hall.

The guild of St. John Ev. and Reformed church met last Thursday afternoon in the church parlor. Mrs. Donald Maue presented the topic, "Power of Consecrated Youth." Plans were made for the annual Father and Son banquet to be held March 26. The subject of installing a telephone in the church basement was discussed. There will be a pot holder shower for their March meeting.

Mrs. Amanda Oliver, of Danville, the former Amanda Hohenstein of Mokena, called on friends here last week end. She spent Friday night with Mrs. Nick Geuther. Mrs. Fred Hentsch entertained a few friends in her honor Saturday afternoon and that evening she spent with Mr. and Mrs. Albert Braun. Mrs. Oliver's husband passed away a year ago with a heart attack. Since then she is working in the employ of her son who has a large photography business in Danville where they develop and print snap shots. Some days their business runs over 500 rolls a day.

Miss Marie Seggebruch was honored at a surprise miscellaneous shower given Sunday afternoon, February 21, in the home of Mrs. Will Tuttle, Mokena. Miss Seggebruch was presented with a corsage of white car-

nations. Games were played and honors were awarded to Mrs. George Arbeiter of Aurora; Mrs. Leonard Warning of New Lenox; Mrs. Peter Homering of Mokena; and Mrs. Roy Lorenz Jr. of Joliet, with duplicate prizes given to the bride-to-be, as well as many other beautiful and useful gifts. Refreshments were served by the hostess, assisted by her mother, Mrs. A. Lorenz. Decorations were in yellow and green, the chosen colors of the bride-to-be. Guests other than those mentioned were Mrs. John Yunker and Mrs. Carl Ginder of Orland Park; Mrs. Ed. Schmidt, Mrs. Herman Lorenz, Mrs. Robert Homering, Marilyn and Doris Yunker, Mrs. Robert Rust and Mrs. Helen Scheer of Mokena; Mrs. George Evans, Mrs. Roy Lorenz and Marjorie of Joliet; Mrs. Lloyd Bettenhausen of Peotone; and Mrs. Will Wischover of Frankfort. Also present was the brides twin sister Mildred and Mrs. Walter Seggebruch.

Miss Seggebruch was also honored at a miscellaneous shower February 14 in the Crete town hall given by her twin sister Mildred Seggebruch. Bunco was played and prizes awarded with duplicate prizes given to the bride-to-be. Approximately 40 guests were present. A luncheon was served by the hostess.

The Spiess brothers and their wives gathered in the home of their brother Walter Saturday night and helped him celebrate his birthday.

Cool water may be drawn from a closed refrigerator door by means of a novel dispenser which Deepfreeze Home Appliances displayed at the winter home furnishings market in Chicago in January. The Aqua-Tap dispenser near the door handle serves a drink when a tumbler presses against it, and shuts off when the tumbler is removed. A removable container, holding more than a gallon, supplies the tap from inside the door.

YOUR "NEW" GAS COMPANY

As you probably have read, the gas business of the Public Service Company is now owned and operated by the Northern Illinois Gas Company, a subsidiary of the Commonwealth Edison Company.

The same people . . . we think you'll be glad to know that the same Public Service people who have been seeing to your gas needs for a long, long time will continue to serve you as representatives of Northern Illinois Gas Company . . . providing you with gas for cooking, heating, laundry, and the other jobs gas has done so well over the years.

(Public Service Company, as a division of Commonwealth Edison Company, will continue as before to provide your electricity.)

How will this change affect you? Right now, very little. Actual separation of plants, stores and offices, will take more time. Stores and offices, for the time being, remain the same for both Northern Illinois Gas Company and Public Service.

Until further notice, you can continue to conduct your business with us, pay your bills, etc., as before.

The Public Service Company wishes the new Northern Illinois Gas Company well . . . you can be sure that whether it be electricity or gas, both will always be at your command for fullest enjoyment of better living.

THE BIBLE SPEAKS

International Union
Sunday School Lesson
BY DR. KENNETH J. FOREMAN

Scripture: John 10
Devotional Reading: Ezekiel 34:11-16.

All People

Lesson for February 28, 1954

IN BOMBAY, India there is one of the most exclusive religions in the world, the religion of the Parsees. There are more Parsees in Georgia alone than there are Parsees in the whole world. If you aren't a Parsee born you can never get in. Even if you marry a Parsee it does you no good; you are an outsider the rest of your life. That is precisely the opposite of the Christian religion. Billy Graham preaches to thousands of people night after night and he invites every one of those people in the great tabernacles and auditoriums to become a Christian. The congregations are not screened. No one has to pass an intelligence test or an FBI screening or a financial credit rating, or any sort of previous sifting whatever. Billy Sunday did not know, of course, his audiences by name. All he knew is that they were people. And being a Bible Christian he knew that wherever people are, there God's invitation holds good.

Dr. Foreman

All People Are Lost

Two things are quite clear from the New Testament. One is that all people are lost. The other is that God does not want any one to stay lost. Jesus spoke of himself as the Shepherd and of people as lost sheep. To be "lost" does not mean to be hopelessly accursed. Any one who has ever seen a lost sheep knows what a forlorn sight it is, bedraggled, bewildered, not likely ever to get home unless some one shows it the way. Lost cats need nobody's sympathy; they will find their way back all right. But we are not lost cats or homing pigeons, we are lost sheep. That is a picture-way of saying that unless God sets us on the right track and leads us home, we are all of us more likely to go wrong than to go right. A lost sheep has no pride.

Some men have said that pride is the root of all sins. Jesus did not seem to think so; weakness and stupidity account for just as many sins as pride.

God Invites All

God never meant heaven to be exclusive. He never meant us to be snobbish about our religion. There are some mistakes here, commonly made, which need clearing up. One is that because God wants all men to be saved, he is going to save everybody regardless. Now if all we knew of the New Testament were this parable of the sheep, we might suppose God would work it that way and bring all people to his eternal home regardless of how they felt about it, as a shepherd does with his sheep or a cowhand with his little doggies. But the rest of the gospels show us that God deals with us as free men. Heaven is not a sack into which God dumps everybody sooner or later, with their leave or without it. Heaven has a door, and the name of the door is Jesus Christ. You can put that in different ways too. Christ is the only door to the Christian life. He is the only door to the kingdom of God. If we wish to belong to God's kingdom we cannot turn away from Christ, we must come to God through him. But another mistake is to suppose that God has a private list of those he really does not want to come in to "the marriage supper" as Jesus put it once. His invitation is to all, really to all; but he never forces any one to accept.

The Church for All

A common sight, and a sad sight too, is a "class church." It doesn't make any difference what class it may be; it may be entirely of country people, or entirely of city people; it can be made up of high-brows or the uneducated; it is a class church if the people in it just don't want to have others in it whose circumstances are different from theirs. If all men are lost and if God's desire is that all shall be saved, no church should be more exclusive than God is. God does not draw color lines or class lines or money lines. The ideal church, the one that reflects the facts of Christ's love and the calling of God, is one in which no human being who loves the Lord Jesus and gives his heart to him, can feel strange or out of place. There is no use saying, "We only want our kind of people," if Christ lived and died for all people. For that means all kinds of people! A Rule For Brotherhood

By Oveta Culp Hobby
Secretary of Health,
Education and Welfare

The one drawback to annual observances of any kind is that out of habit, we tend to become phrasemakers who no longer listen to our own pat phrases.

In all the editorials and speeches which will be made before this week is done, the word "brotherhood" rolls again and again until it sounds easy.

But brotherhood doesn't come in a package. It is not a commodity to be taken down from the shelf with one hand—it is an accomplishment of soul-searching, prayer and perseverance.

Brotherhood takes self-aware practice.

The rule of thumb is a simple one: Regard each man and woman as an individual. Not as a Catholic, a Protestant or a Jew. Not as a Negro, Ang le-Saxon or Asiatic.

Look at the person—at the

character and personality of this human being. Like or dislike that person for his own intrinsic qualities, and refuse to tinge that judgment by the irrelevant fact that he belongs to a different race or religion from your own.

The spontaneous feeling of brotherhood is a mark of human maturity. Many illiterate people have an instinctive recognition of brotherhood which is a thing of the spirit. The American Indians, when they found a white man worthy, could take him into the tribe as a blood brother. The child, left free to appreciate kindness and generosity, sets no artificial boundaries on his love for people.

Others—more highly educated, more aware of self find the concept of brotherhood as an intellectual process.

Unfortunately are those who, in their limitations, can never sense the brotherhood of man.

Brotherhood realized is the ultimate objective of democracy—a free, just and harmonious civilization.

Timely Tips

It's a wise homemaker who knows the tricks of her trade. Here are a few to add to your collection and help make your chores easier for you.

Separating egg whites from yolks can be done in a jiffy. Just break the egg in a small funnel. The whites will go through... the yolks won't.

Before scalding milk, wipe the bottom and sides of the pan with butter. The milk won't scorch and the pan will be easier to clean.

A folded damp cloth placed under a mixing bowl keeps it from slipping and speeds mixing.

To soften butter quickly, heat an earthenware bowl by filling it with boiling water, then empty it and place it upside down over the butter.

To banish that horrid onion aroma from your hands, rub them with vinegar.

Two out of every five thumbs that beg motorists for rides are

on file with the Federal Bureau of Investigation in Washington. Charles M. Hayes, president of the Chicago Motor Club points out.

Newspaper accounts of hitchhiking misfortunes do not give the overall picture. To get the nationwide story, when you read of a hitchhiking murder or assault, multiply by 40. A newspaper usually publishes accounts of hitchhiking crimes in the vicinity only, but occasionally runs stories of national importance.

There is more than just the bodily safety of the driver that is involved. Motorists run the risk of damage suits in the event of injuries to hitchhikers resulting from accidents.

The Chicago Motor Club today urged motorists to exercise more discretion when parking their cars. The Club's appeal came on the heels of statistics which show a 21.2 per cent increase in car thefts in the largest cities and 15.1 per cent increase in rural areas.

Boy, what some bowlers won't try to help them bowl better. One bowler even tried wearing red socks (believe it or not, it seemed to help too.) I guess just looking at them set Wally and Bush on fire as they sure burned up the alleys with a sizzling 247-605 for Wally and 241-602 for Bush. Just goes to show you that it isn't the alleys! Handy and Easy
"Sign Up"

Last month's safety drive was a big success—almost. Every one helped—the schools ran movies on safe driving, Rotary put up posters, and Handy and Easy Peters went out on their own.

The boys put up a big sign by the side of the highway. It said, "Slow down—the life you save may be your own." It was a good idea—after the police moved the sign back twelve feet.

In their enthusiasm Handy and Easy put it too close to the road—in fact, right on the sharpest curve on the highway. They made

a banana peel as they are slipping closer to the cellar each week. Goebel's took two games from them to put them 1 game from the basement. Even the shake up didn't help.

H&S Feed won 2 from INR Beatty with the help of Bush's 602. A couple of bowlers better watch out or they may be traded next year! Good to see Wm. back at the old game.

Bremen State defeated Vogt's 2 games although Vogt's had 2 bowlers that rolled 500 or better. Ed Lehmann with 531 and "Moose" a 500.

BASKETBALL TOURNES TO BE BROADCAST

The exciting play by play of four major basketball tournaments featuring a total of 28 high school teams in northern Illinois will be broadcast over Joliet's radio station, WJOL, 1340 kilocycles, the last week of February and the first three weeks of March.

The initial tournament broadcast will be February 26 with the coverage of the Beecher district championship game. Be-

cause of a previous broadcast commitment of the Joliet Township-LaSalle game at 8 o'clock that evening, WJOL will carry the Beecher district title game at 10 p.m.

Also to be aired over the Joliet radio station will be the Joliet regional and West Aurora sectional tournaments, plus the entire "Sweet Sixteen" tourney in Champaign next month.

The radio relay of the Joliet regional will originate from Joliet Township High school gym March 1 thru 5, while the West Aurora sectional will be aired from the high school gym there March 10 through 12. All games will be played in the evening.

From March 17 through March 20, WJOL will broadcast the state high school tournament from Huff gymnasium at the University of Illinois. Broadcast of all 16 games of the "Sweet Sixteen"—four games each day—will be sponsored by the Public Service company for the fourth consecutive year. The play by play will be handled by Bob Philbin of WJOL, Orren Allain of WKAN, Kankakee and Don Wells of WCFL, Chicago for a network of northern Illinois radio stations.

Mokena Trims Channahon 29-28

A fighting Mokena heavy-weight team scored the biggest upset of the season Friday when they knocked Channahon out of first place in the DesPlaines Valley conference. The score was 29 to 28.

Richard DeForest's basket with only 20 seconds remaining climaxed a thrilling comeback. Channahon led throughout until the final minutes when long baskets by Delbert Yunker and Lee Yunker captured the lead for Mokena 27 to 26. Channahon's Konjevich scored with 90 seconds remaining to put his team in front.

It looked as though the Mokena rally had fallen short but careful passing by the Yunkers and Dunham worked the ball into position and DeForest scored with a jump shot from the free throw circle as the clock ran out.

Channahon led at the end of the first quarter 10 to 3 and at half time had built up a lead of 21 to 4. Mokena roared back in the third period with 15 while holding their opponents to a single basket. Senglin led the attack with 6 points as every boy contributed at least one point during the rally. DeForest got two baskets in addition to his game winning effort in the fourth quarter as Mokena rang up 10 to Channahon's 5.

The victory was Mokena's third of conference play and the defeat was the second suffered by Channahon after nine victories.

The Lights ran over Channahon in the first game 52 to 20 for the sixth conference win. Allen Schultdt was again the standout for the victories as he set a new season scoring record of 24. Donald Lehmann was second with 14 points.

The next home game will be tomorrow night against Troy.

New Lenox Wins 9 Games in Row

The New Lenox basketball team sponsored by the Welsh Lumber and Hardware company won its ninth consecutive game in the Mo-Fr-Ma-Le league, and its 14 consecutive game in the total playing. Scoring for the New Lenox club were Slick with 237 points, Wondrasek 191, and Terlep, 178. The club holds first place in the league, followed by

HERE ARE NEW GADGETS FOR THE CAR

Researchers of three companies have announced development of new gadgets which can be plugged into a car's cigarette lighter.

One is a light bulb attached to a long cord to furnish light for night repairs outside the car—changing tires, etc. This attachment also has a flashing red

light to warn approaching traffic.

Another is a radiophone designed especially for salesmen who want to talk to their offices. A third makes it possible for motorists to light their pathway for a minute and a half after leaving the machine. Then the lights turn off automatically.

Tips on Touring

By Carol Lane
Women's Travel Authority

Determined to reduce the nation's heavy toll of traffic fatalities and injuries, President Dwight D. Eisenhower has called a White House Conference on Highway Safety, to be held in Washington, D. C., on February 17, 18 and 19. The purpose: to develop public support, at the community level, for proven methods of improving street and highway safety.

The development of effective community safety programs by women has long been a matter of great interest to me. It was to recognize achievement in this field that the Carol Lane

Traffic Safety Awards were set up in 1951. Winners of these awards, which are administered by the National Safety Council through a grant from Shell Oil company, have helped reduce the tragic waste of life on our nation's streets and highways. They have taken the lead in all phases of safety including planning, legislation, engineering, public information and law enforcement.

With this background of interest in safety, I was pleased to be invited by the President to his Conference on Highway Safety. I will attend the conference as a participant in the women's group. In addition to other representatives of business, agriculture, labor, government and innumerable organizations, the President also has invited each state governor to designate a group of outstanding citizens as delegates from his state.

I will report my findings from the conference to you later.

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort, 4902

Verne Crackel, Will county superintendent of schools, spoke Friday before a meeting of the Green Garden PTA in the school. Members selected to serve on the nominating committee are Mrs. Fred Beckman, Mrs. Frank Coppotelli Jr., and Mrs. A. Brader. Roderick Rainford presided at the meeting, and the boys presented the flag while the audi-

ence gave the pledge and sang "America". Donald Bauch and Garland Kurth provided special music. Refreshments were served by Mr. and Mrs. Clarence Sengmeister, Mr. and Mrs. Glen Nagel, Mrs. Arthur Anderson, and Mrs. Donald Wilke.

Miss Norman Berggren of Joliet who will become the bride of Ralph Morrison March 20, in the Bethel Baptist church in Joliet was the honored guest at a bridal shower given in the Green Garden Methodist church parlors Sunday afternoon, by Mesdames Reese Morrison, Glenn Rovenhagen, Siegfried Beckman, Harold

Pooley and Wendell Morrison. A yellow rose and white carnation corsage was presented the bride-to-be. Buncos was played and prizes awarded with the bride-elect receiving duplicate prizes. About 40 guests attended. The color scheme was the brides chosen colors yellow, green and orchid. She opened her many lovely gifts, seated under a decorated umbrella. Refreshments were served.

Miss Marlene Gill, was the honored guest at a shower recently, given in the Green Garden Town hall, with 40 guests present. Miss Gill was presented with a corsage of red carnations. Decorations were in the Valentine motif. Games were enjoyed. A two course luncheon was served from a beautifully decorated table. Hostesses were members of the Green Garden Snip and Snack 4-H club, of which she was a former member. A group gift was presented to the honored guest. Various 4H girls were in charge of the days activities.

Mr. and Mrs. Alvin Bruggeman were dinner guests Sunday evening of Mr. and Mrs. Ray Canterbury in Joliet. They helped celebrate the latter's thirty-second birthday.

Mr. and Mrs. William Rahm entertained Sunday at a Royal Neighbor card club with Mrs. Evelyn Mundt of Peotone scoring high. Other guests were Mr. and Mrs. Franklin Christiansen and Roger, Mr. and Mrs. Homer Smith and Mr. and Mrs. Jerry Hossbach of Peotone.

Mrs. Noah Goodrich of LaGrange Park and Mrs. Anna Mahr of Maywood spent several days this past week with Mr. and Mrs. Lester Gay and Mr. and Mrs. Orval Schroeder.

Saturday evening Mr. and Mrs. Vernon Hansen and family were guests of the Leroy Hansen's in honor of the latter's birthday. The occasion was again observed Sunday when Mr. and Mrs. William Hansen and Mrs. Bertha LaHue were dinner guests of the Leroy Hansens.

Mr. and Mrs. Harold Scheer, Barbara and Joyce were dinner guests of the Lester Holl's in Joliet Sunday. Joyce was a week end guest in the Holl home.

Mrs. Earl Bettenhausen entertained her pinocle club last Wednesday afternoon. Miss Lillian Miller, Mrs. Raymond Bettenhausen and Mrs. Carl Toepfer won the awards. A two course luncheon was served at quartet tables by the hostess. The next meeting will be held with Mrs. Harold Ulrich, March 17.

Edwin Draalle underwent an emergency appendectomy Saturday in Silver Cross hospital.

The first meeting of the West Peotone 4H club was held Wednesday evening, Feb. 17, in the Green Garden Town hall. Fifteen members and two leaders were present. The meeting was opened by each giving their name, address and the project, that they will participate in this coming year. The following officers were elected: president, Roger Ulrich; vice president, Walter Kurima; secretary Miss Ann Lehnert; treasurer, Miss Kathryn Ulrich; reporter, Miss Barbara Scheer; recreation, Richard Rehberg. Project cards were distributed and explained by the new club leader, Gilbert Sippel and assistant leader, William Krapf. 4-H fair checks and some special books were distributed, also awarded were certificates and 1st, 4th and 5th year pins. The next meeting will be March 17, refreshments were served. The remainder of the evening was devoted in playing basketball. —Miss Barbara Scheer, reporter.

Mr. and Mrs. William C. Bet-

tenhausen met Mr. and Mrs. Fay Sims of Hebron, Ind., in Chicago Sunday. They had dinner together and spent a pleasant afternoon.

Susan, three year old daughter of Mr. and Mrs. Lorne Bettenhausen was the honored guest, when her grandparents, Mr. and Mrs. William H. Bettenhausen and Mr. and Mrs. Alfred Siemson of Peotone came Saturday evening to help her celebrate her birthday.

Mr. and Mrs. Mervin Smith have moved into the farm home of Harold Bankow, which was recently vacated by the Clarence Harnacks.

The Young Womens circle will meet in the home of Mrs. Wesley Bettenhausen this afternoon, Feb. 25 at 1 p. m. beginning with dessert-coffee.

CARD OF THANKS

I wish to thank, the Bible class and those giving plants and bouquets, the club, and all others that gave fruit, cards and did so many other deeds of kindness while I was ill.

Mrs. Frank Sayers

Friday evening a prairie fire was started in the field back of Doctor school. The Orland Fire department was called. The only casualty was six year old Pat Hodges, who was treated at the doctor's office and sent home.

Mrs. Phillip LaFever entertained at dinner Sunday Mrs. Katherine Bonezek, Chicago and Mr. and Mrs. John Badowski, Jeanine and Michael of Hammond.

Charlene Stewart spent the weekend with her aunt, Mrs. Noble Dilascio, Chicago.

Mrs. Frank Greenhoe and Mrs. Thomas Thurbee of 159th st. attended the Sunday school convention in St. Peter's church, Joliet on Sunday.

Mrs. Edward Golden, 108th avenue, left Saturday to visit her son Eugene who is in the Army hospital, San Francisco, Calif. He was operated on for a brain tumor and has shown no improvement.

Mrs. Harold Stegar is confined to her home recovering from an automobile accident on Feb. 15 in Chicago.

A welcome to Mr. and Mrs. James Wasnek, Boyd and Billy who have moved into the home formerly occupied by the Tollman family on 157th st.

The regular meeting of the Doctor school PTA was held Feb. 18. Hostesses were Mrs. F. J. Anderson, Mrs. Frank Greenhoe, and Mrs. Stewart. Plans were made to install shelves in both school rooms for additional library books and for display purposes.

March 13 was selected for the movie "Winchester 13" starring James Stewart to be shown at 7:30 p. m. in the school. Everyone is welcome, and the donations will pay for the film. A blind auction will be held at the March meeting.

Chosen to serve on the nominating committee are Mrs. Elmer Aggen, Mrs. Jere Banek and Mrs. Donald Maue.

The rummage sale sponsored by the PTA was a huge success. Even the rain could not dampen the spirits of friends and neighbors who came seeking bargains over a hot cup of coffee. Nearly \$100 was taken in. Two large boxes of dresses and coats left over will be donated to Manteno hospital. The PTA thanks everyone who helped to make the affair a success.

Mrs. Frank Sayers has been ill most of the winter and is unable to go out, but her friends have not forgotten her. Thursday Caroline and Helen Tilsy, Marley and Mrs. Jesse Creer, Mrs. Clarence Creer and baby Diane of Orland Park visited her. On Friday Mr. and Mrs. Paul Marks called at the Sayers home and Sunday Rev. DeMoss dropped in.

Change Implements Instantly... Anywhere

SNAP-COUPLER

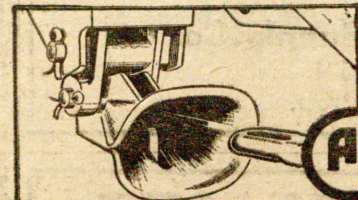

It's simple! It's easy! It's fast!

SNAP-COUPLER is the new Allis-Chalmers automatic hitching device that lets you change rear-mounted tools in a matter of seconds. It works anywhere, any time — on your farm as well as in our store.

The SNAP-COUPLER is set in a wide funnel located at the tractor's single hitchpoint. As the tractor is backed to the implement, the funnel guides the tongue of the implement into the coupling where it automatically snaps into working position. The two implement lift-links are then quickly snapped to the tractor's lift-arm latches.

Unhitching is equally simple.

SNAP-COUPLER is standard equipment on new Allis-Chalmers WD-45 Tractors; available for tractors now in use.

Issue Leaflet On Reporting Social Security

A special guide sheet to help self employed persons in correctly reporting their net income for social security tax purposes is now available. Joseph B. Harper, manager of the Harvey social security office, has announced.

The leaflet, "Helpful Guides on Reporting Your Self-Employment Tax," has been issued by the Social Security administration to supplement instructions given with the Federal income tax forms.

Pointing out that social security benefits payable to a self employed person and his family in his old age, or to his dependents in case of his death, are based on earnings credited to his social security account, Mr. Harper stressed the importance of correct reporting.

"It costs the worker as well as the Government additional time and expense when an incomplete or incorrect return has to be straightened out," he declared.

This guide to accurate reporting of self employment net income is available for the asking at the Harvey social security office, 178 E. 154th St. and other social security offices, or may be obtained at any branch office of the Internal Revenue service.

Mr. Harper urges all self employed persons whose trade or business is covered by social security to get a copy before making out 1953 Federal income tax forms. The social security tax of 2½ percent must be paid at the time the form is filed on or before March 15.

CHRISTIAN SCIENCE CHURCHES

That the remedy for hatred, selfishness, and greed is found in the love of God, as taught by Christ Jesus, will be emphasized at Christian Science services Sunday.

In the Lesson-Sermon entitled "Christ Jesus" passages read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include:

"If we wish to follow Christ, Truth, it must be in the way of God's appointing. A 11 nature teaches God's love to man, but man cannot love God supremely and set his whole affections on spiritual things, while loving the material or trusting in it more than in the spiritual."

"We must forsake the founda-

tion of material systems, however time honored, if we would gain the Christ as our only Saviour" (326:3-4, 8-14).

This passage from the Bible will also be among those read:

"How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth" (Isaiah 52:7).

John Bardwick to Head Board of Ingalls Hospital

John Bardwick, Jr., last week was elected president at the annual meeting of the board of directors of Ingalls Memorial hospital. Other officers are Herman A. Jones and Herman C. Hoekstra, vice presidents; Foss P. Miller, treasurer and assistant secretary; and Lester C. Mortrud, administrator, secretary and assistant treasurer.

President Bardwick reported that \$68,639.43 was received in contributions to the hospital this last year. This sum was donated by various individuals, civic organizations and business firms. In commenting on this support Mr. Bardwick stated:

"On behalf of the active members of the hospital, I want to express our deepest gratitude for these most substantial contributions and also our appreciation for the spirit of charity and service which motivated these gifts."

The hospital counsel, Reuben Borsch, Chicago, and Henry Piel Harvey, were also thanked for the contribution of legal services whenever needed. Special mention was made of the cooperation and support of Arthur E. Turngren, mayor of Harvey, the members of the city council and the fire and police departments.

The meeting also recorded its appreciation of the generous publicity accorded the activities and services of the hospital, special acknowledgement being made to the Tinley Park Times.

Tinley School News

St. Valentine's messengers were especially busy the past week in the Bert H. Fulton school corridors. Evidence of his activity could be seen at each class room door in the form of a large Valentine mail box. During the afternoon of February 11, valentine parties were held in each room, Strawberry pop and cookies topped off the fun. Room 105 has spent an interesting period developing the

study of the American Indian. For a while, the school room was practically transformed into a miniature Indian Reservation. We lived among Indian rugs, tepees, drums, totem poles and tomahawks. The study was integrated with spelling, art, language, music and reading. On Feb. 5 we were hosts to other room groups. They enjoyed our collection.—Jean Rauhoff, Principal.

TOLL-FREE SERVICE—
(Continued from front page)
by Illinois Bell would get increases which vary by the size of the community.

Also included in the company's proposal are:
A new message rate service for customers with limited calling needs, a longer initial talking period on calls to many more distant suburban Illinois points but still within about 25 miles of downtown Chicago, five minutes instead of three, and

Pricing of all calls made beyond the extended flat rate calling area to other points within the metropolitan area on a generally lower message unit basis.
R. F. McQueen, and W. F. Clarke, Illinois Bell managers for this area, have announced that the company is mailing each customer a folder explaining details of the proposal.

"Since 1940, there has been a big change in people's telephone calling habits," said Clarke. "For example, more people now live in surrounding towns or in neighboring territory. So their telephone calling has spread out to include a bigger area. We've been studying these changes to find out how we can make our service fit the needs of our customers better."

Wages Up
Clarke pointed out that basic wage rates of Illinois Bell workers are up 132 per cent

since 1940 and recent wage increases will make the 1954 total even higher. Other costs have gone up, too, he said.

"In 1940 the average investment required to provide service for one telephone was \$220, while today the new telephone going in requires about a \$400 investment," the manager pointed out.

He said the new rate plan is a result of the Company's studies of the changes in calling habits of the community resulting from its tremendous growth since 1940.

"For example, more people now living in suburbs have business and social interests in Chicago, or in other nearby communities. The new services are tailor-made to meet the needs of most customers better."

In a statement at the time the state-wide request was filed, William V. Kahler, Illinois Bell president said:

"We expect the Commission to study our new rate proposals carefully. We are confident that after hearings it will be found that good telephone service for Illinois communities needs the underpinning of a safe level of earnings. The 'villain in the case' is the same one everybody else has been wrestling with—inflation and the higher costs it brings."

Tinley Park customers using the extended area flat rate service

plan would be able for the basic monthly charge, to make as many calls as they want and talk as long as they wish to Homewood, East Hazel Crest, Flossmoor, Orland Park, Blue Island, Alsip, Calumet Park, Crestwood, Dixmoor, Merriotte Park, Midlothian, Oak Forest, Posen, Robbins, Chicago Heights, East Chicago Heights, Glenwood, Matteson, Olympia Fields, Park Forest, Richton Park, South Chicago Heights, Steger, Mokena, Harvey, Hazel Crest, Markham, Phoenix, South Holland and Thornton telephones. Mokena customers could, for the basic monthly charge, make as many calls as they want and talk as long as they wish to Frankfort, New Lenox, Orland Park and Tinley Park telephones.

Telephone customers in New Lenox would be able to make as many calls as they want and talk as long as they wish for the

basic monthly charge to telephones in Joliet, Rockdale, Lockport, Romeoville and Frankfort.

More Per Unit

Message rate customers would call all these places (their community calling area) and talk as long as they want for one unit. Their basic monthly charge would include a considerable number of message units which they could use either for calls to telephones in the enlarged community calling area or for calls to other points in the Chicago Metropolitan area, which are charged at two or more units.

"This modern telephone plan is tailor made for the calling needs of most local customers," Clark said. "Even with the rate adjustments we are asking, telephone service will still be one of the biggest bargains in the family budget. Few things provide so much for so little as the telephone."

There are no changes in interstate long distance rates. The only changes in long distance rates between points in Illinois would be on calls where the initial rate is 25 cents or less. On those calls the initial talking period would be 3 instead of 5 minutes and there would be some increase in the overtime charges.

Rates quoted do not include Federal excise tax, which the company collects for the government.

HELLO FRIENDS AND NEIGHBORS!

Our 1954 Safety, Friendly and Business Message To Our Many Thousands Of Friends In All This Great Section ---- Dedicated To Truth, Peace, Justice And Continued Prosperity!

Each year we feel it appropriate and befitting to express our gratitude and thanks for the past year's relationship--both business and socially. Please drive, work and play safely--these are school days. Protect our children. And, remember, it is always better to be careful than always to be sorry.

In the face of all our many world problems and unrest, everything, today, and 1954 points to a record-breaking money and business period--not to be retarded soon--so say all the nation's great prognosticators of big business and world affairs. Through a very careful survey and comparisons, we know there is no better merchandise, variety of stock, or service, anywhere at any price, second to none, than can be had in our section at a price range that has always been conducive and pleasing to all concerned at all times.

Remember, we are neighbors with much in common! Let's be good neighbors and treat each other like good neighbors.

Whenever your desires and needs cannot be met in your respective communities continue to visit around the territory on your shopping and service tours. You cannot do better. And, you are always welcome, as well as saving money and being a community booster. Again, may we remind you on behalf of the national safety council and the grand people of all this great section as a whole to please drive, work and play safely--save a life--and, remember, the life you save may be your own!

All we good Americans, today, more than ever must have faith and pull together. Don't sell America short. We must and will crack the iron curtain. Peace and justice will be ours with God's help.

Sponsored by the following progressive and public-spirited business and civic leaders of this great prosperous community who pledge themselves to unity, progress, safety and the American way of life.
